Objective

My goal is to find a company where I feel comfortable to develop my skills and knowledge.

Aptitudes

I am curious, proactive, self-taught and I like to experiment. I am interested in learning on my own and expanding my knowledge, I usually research and look for courses related to programming, web development and networking. The subject of graphic design is also one of my strengths and the trigger for my interest in computing.

Languages

- Spanish Native
- Catalan Native
- English Advanced

Skills

HTML	<div style="width: 100%;"><div style="width: 100%;"></div></div>
CSS	<div style="width: 100%;"><div style="width: 95%;"></div></div>
JavaScript	<div style="width: 100%;"><div style="width: 90%;"></div></div>
Python	<div style="width: 100%;"><div style="width: 85%;"></div></div>
Flutter	<div style="width: 100%;"><div style="width: 75%;"></div></div>
C/C++/C#	<div style="width: 100%;"><div style="width: 60%;"></div></div>

Experience

Espai Kairos

I have designed several promotional posters for the company.

SteelSeries

Design Contest Winner of "Arctis 5 Gaming Headphones" 07-12-2017.

Specific designs

Various designs for companies or accounts specific such as: "Ethieen", "Jayex Designs"...

Internships at CIMNE

I have stayed for a week in this center doing practices that have provided a work experience.

Stay in a Company

I have done this subject with the aim of gaining experience in the computer science sector.

Training

Primary and secondary education

I have finished primary school and secondary school at "Escola Virolai" and I am currently studying an engineering degree at the Polytechnic University of Catalonia.
